Official Procedure for Thesis Plagiarism Check from UCP Library

1) For the completion MS/MPhil/PhD thesis, students are required to fulfill following two requirements:

 i. A *Thesis Submission Form* is to be filled.

 Note: Student can take this form from concerned program coordinator

 ii. A *CD* is to be prepared by the students containing following files:
 a) A full pdf file of thesis from title page till references.
 b) A word file of thesis consisting of chapters from "Introduction" till "Conclusion" i.e. from first chapter till last chapter of thesis.

2) Students are required to submit both of these to their concerned program coordinator.
3) Program coordinator is supposed to send the *Thesis Submission Form and CD* to the Library Reference Section.
4) In response to this, the library will generate the plagiarism report. In case of satisfactory plagiarism report, library will issue the *Approved Thesis Submission Form* duly signed by the coordinator.
5) The program coordinator has to collect the form from the library reference section at his earliest, which afterwards can be awarded to the student.
